

## Calendar Planning Meeting February 23, 2008

The Meeting was called to order by President, Sam Johnson. In attendance were ten members and our soon to be new member, Janet Wilson, introduced by Sam.

Alan Prouser then gave us an update on the March 08, 2008 Annual Meeting and Clubman Preview. This meeting and preview is to be held at the Roadshow Dealership. Lori Patton, the current President of Roadshow and Godmother to the MINIacs, will be mailing letters of invitation to this event to everyone in her customer base by February 26, 2008. Alan also advised us that Roadshow would be providing dinner for this event.

The group then discussed and put together the following tentative calendar for 2008 (see attached).

A motion was made by Alan Prouser and seconded by Lonnie Anderson, that Alan makes a motion at the Annual Meeting for the MINIacs to give a donation to the Children's Advocacy in honor of Lori Patton's participation in the MINIacs. This motion was passed by the membership present.

The meeting was then closed by Sam Johnson, President.
